

PRE-PROCEDURE DAY INFORMATION

*****PLEASE READ AT LEAST FIVE DAYS BEFORE YOUR PROCEDURE*****

At least two days prior to your procedure, someone from the surgery center will call you before your procedure to confirm your arrival time and review information regarding your procedure.

PLEASE BE ADVISED OF THE FOLLOWING:

It is your responsibility to contact your insurance company to learn whether a specific procedure is covered and if it will be applied to a deductible. Some insurance plans have riders and underwriting on the plan that may or may not cover any or all of the procedure. We want you to be aware and understand the specifics of your insurance coverage. We are happy to provide you with the codes that could be used when submitting your claim to the insurance company.

*****VERY IMPORTANT*****

There are three (3) entities involved that will send a bill following your procedure.

1. FACILITY: Franklin Surgery Center or Williamson Medical Center
2. OneGI:
 - Dr. Michael Blanco
 - Pathology (if any specimens are collected during procedure)
3. ANESTHESIA

Anesthesia, pathology, and physician charges are filed with insurance for determination of additional patient financial responsibility.
